Comments:

Graded Agency:

The Department of the Interior promotes the use of small and disadvantaged businesses in executing annual spending on contracts of approximately \$2.4 billion each year. The Department's efforts in small business contracting are a reflection of a robust small business program that is committed to providing the maximum practicable opportunity to small businesses through prime and subcontracting. Small business accomplishment continues to be a critical element in the evaluation of senior executives and program officials throughout the Department. The Department will build on the success of Fiscal Year 2013 and strive to meet its annual goals, which were increased based on the 2013 performance.
