20. Program Term - Liability and Indemnification

Any liability arising from the conduct of this project, except as it directly relates to SBA employees or facilities, is solely Your responsibility. SBA will not indemnify You or Your employees or officers. Furthermore, with the exception of insurance, no Project Funds may be used to cover costs related to liabilities arising under this Award. For further guidance regarding insurance costs, see 2 C.F.R. § 200.447.

SBA is not a party to any contracts, subgrants (where permitted), or other agreements between Your organization and third parties. You are liable to SBA for any amounts paid from Project Funds to third parties which are subsequently determined to have been unallowable or otherwise improper.

21. Program Term - Indirect Costs

You may claim indirect costs under this Award in accordance with the Indirect Cost Rate Agreement You negotiated with Your cognizant agency. Reimbursement of indirect costs from Federal funds will be capped at a maximum of 20 percent, regardless of the amount stipulated in the Non-Federal Entity's indirect cost rate agreement.

NFEs that have never had an Indirect Cost Rate Agreement with a cognizant Federal Agency may:

1. Claim indirect costs under this Award at a 10 percent de Minimis rate of Modified Total Direct Cost in accordance with 2 C.F.R. § 200.414(f) or:
2. Request from their SBA Project Officer an SBA indirect cost rate agreement at a rate of 24 of Modified Total Direct Cost. An SBDC rate agreement is exclusively for the SBDC Program and the rate is non-negotiable.

The de Minimis rate and the SBA rate may not be used by NFEs that have an expired ICR.

22. Program Term - Matching Contributions

You are required to provide matching support for this Award from non-Federal sources at the rate of 100 percent -- i.e., one non-Federal dollar for each one Federal dollar – unless otherwise authorized by the AA/SBDC. Non-Federal cash match must be at least 50 percent of the Federal funds. The remaining 50 percent may be provided through any allowable combination of additional cash match, in-kind contributions, or waived indirect costs. The Recipient may not use Program income to match the federal dollars provided or in place of funds already budgeted in the Cooperative Agreement.

You must document that You have obtained and expended the required level of match in support of project activities. You may receive contributions of matching support from any non-Federal source, such as State, local, or tribal governments, private individuals, corporations, or foundations. In addition, You may provide matching support for this Award by utilizing Your own or Your parent entity's resources. Matching contributions may take the form of cash or cash equivalent, or in-kind donations such as free or reduced-price goods, services, or facilities, or indirect costs.

For each SF-270 (Request for Advance or Reimbursement) You submit, You must indicate the amount of match (i.e., the "Non-Federal Share") expended (for reimbursements). If the amount of match You list on Your SF-270 does not meet the required 1:1 level of match for Federal expenditures, You must attach an explanation

detailing the extent of, and reason(s) for, the shortfall and describing how and when You will come into compliance with the match requirement.

If You are chronically or seriously Undermatched You will not be eligible to receive reimbursement for the remainder of the current Budget Period, and possibly for subsequent Budget Periods as well. If You are Undermatched at the end of a Budget Year, You will be required to remit to SBA all Federal funds You received but were unable to match. Furthermore, if You fail to meet Your match requirement, SBA may withhold payment, decline to exercise option periods, or take such other enforcement action as it deems appropriate. See Program Term 29.

You are encouraged to, but not required to report Overmatch on Your SF-270 or SF-425. However, if You choose to report Overmatch to SBA, You may use that Overmatch to offset any disallowed payments for the relevant Budget Period on. Overmatch may not be carried over to subsequent Budget Periods. It may only be counted for the Budget Period in which it was expended. If you choose not to report Overmatch to SBA on the Final SF-425, You cannot use it to offset any disallowed payments. This applies to non-Federal disallowances and not Federal disallowances.

For further guidance regarding matching contributions, see 2 C.F.R. § 200.306.

Insular Area Territory Match Waiver

The SBA has the authority, per U.S. Code Title 48 – Territories and Insular Possessions, Chapter 10 – Territorial Provisions of a General Nature, Section 1469a(d) – Congressional declaration of policy respecting “Insular Areas”, to waive any requirement for matching funds otherwise required by law to be provided by the Insular Area involved. Additionally, § 601 of Pub. L. No. 96-205 and § 6 of Pub. L. No. 98-213 together mandate that “notwithstanding any other provision of law, in the case of the Virgin Islands, American Samoa, Guam, and the Northern Mariana Islands, any department or agency shall waive any requirement for local matching funds under \$200,000...”

For the Core SBDC Grant, the Associate Administrator for the Office of Small Business Development Centers will, upon written request, waive the match requirement for the first \$199,999.99 for American Samoa, Guam, and the Virgin Islands Small Business Development Centers (SBDCs).

The Insular Area Territory SBDCs are required to provide a 1:1 match that must include at least 50 percent in cash with the remainder consisting of a combination of cash, in-kind and non-reimbursed Facilities and Administrative costs (i.e., waived indirect costs) on all Core SBDC grant funds of \$200,000 and above.

The Core-Grant Insular Area Territory Match Waiver **must be requested in writing**, prior to the submission of the renewal application package, and transmitted through the OSBDC Program Manager. The Core-Grant Insular Area Territory Match Waiver will not apply retroactively to previous, ongoing, or expired grants and is not transferable to other non-SBDC funding opportunities from SBA

23. Program Term - Program Income

Program Income generated under this Award must be added to the Project Funds and used to further eligible project or program objectives. In addition, on SBA Form 2113-Program Income and worksheet you submit, you must note all Program Income earned and expended during the program year. A self-populating excel worksheet to the SBA Form 2113-Program Income may be obtained from the OSBDC website at www.sba.gov/content/sbdc-forms-and-worksheets.

For further guidance regarding Program Income, see 2 C.F.R. § 200.307.

24. Program Term - Financial Stability and Risk Mitigation

In accordance with 2 C.F.R. § 200.205, in order to continue being entrusted with public funds Your organization must maintain a sufficient level of financial stability. Examples of failure to maintain sufficient financial stability include, but are not limited to, excessive and/or unresolved indebtedness (whether to the Federal Government or other parties), repeated failure to make payroll, and/or operating at a deficit for an extended period of time. Your lack of financial stability may lead SBA to take any or all of the following actions:

- a. Categorize Your organization as a high-risk NFE and subject it to additional conditions;
- b. Suspend, terminate, or decline to renew this and any other Awards You receive from SBA; and
- c. Suspend or debar You from participating in the Federal procurement or non-procurement arenas in accordance with 2 C.F.R. Part 2700.

For further guidance regarding enforcement actions SBA may take under this Award, see Program Term 29.

For further guidance regarding debarment, see C.F.R. Parts 180 and 2700.

25. Program Term - Funds Management and Payment

In accordance with 2 C.F.R. § 200.305(b)(6), SBA may withhold payments if You fail to comply with project objectives, Federal statutes, regulations, the terms and conditions of this Award, and/or the program requirements. Additionally, SBA reserves the right to offset any funds payable to You under this Award in order to collect debts or other financial claims the Agency may hold against you under this program or any other SBA program. In addition, if You fail to expend funds at a rate substantially in accordance with your accepted proposal, SBA may reduce the amount of this Award by de-obligating funds from your project and transferring them to other NFEs conducting projects under this program.

Payment will be made by reimbursement. For general guidance regarding payments under this Award, see 2 C.F.R. Subpart D §200.305. You must draw down Federal funds only as needed to meet actual or estimated expenditures for the relevant reporting period. You must avoid accumulating Federal funds in excess of current disbursement

needs. You must also provide the required level of matching contributions for all Federal funds drawn down under this Award. For further guidance regarding matching contributions see Program Term 22.

To receive payment, You must provide SBA with Your bank routing number and account information and submit a signed SF 270 (Request for Advance or Reimbursement) signed by the authorized representative of the NFE organization. Any failure by You to properly complete and submit the required forms will cause substantial delay in processing Your payment request.

To receive payment, the following process must be followed:

- a. Forms must be submitted via email to SBDCPayments@sba.gov.
- b. The NFE must enter in block 4 (Standard Form 270), the appropriate Agreement/Document Number to identify the budget year of the Federal funds requested for payment.
- c. The NFE must fill-in block 5 of SF-270 (Partial Payment Request Number) in sequential order to indicate the cumulative number of forms submitted to the OSBDC.
- d. NFE must enter in line 11f of SF-270 the Non-Federal share of the amount on line 11e.
- e. The final SF-270 must show 100 percent matching funds on the federal funds requested, which includes no less than 50 percent cash match used to support federal payment during the award period. Final SF-270 without required match will be denied payment.
- f. If the amount of match reported on Your SF-270s indicates that You are trending toward not meeting the required 1:1 level of match, SBA will require You to provide an explanation detailing the extent of, and reason(s) for, the shortfall and describing how and when You will be back on track for meeting the match requirement.
- g. You must attach a certification statement with each SF-270. Please see Program Term 12 – Financial Reports for the required certification statement.

You are responsible for submitting all payment requests in a timely manner at least quarterly, but not more frequently than monthly. You bear sole responsibility for providing adequate documentation or justification of all claimed costs and for submitting all payment requests in a timely manner. SBA will not process any payment request You submit more than 120 calendar days after the conclusion of the relevant Budget Period. You must retain copies of receipts, invoices, subcontracts, timesheets, evidence of the existence and valuation of matching contributions, and similar items providing documentary support of all claimed costs. See Standard Term 28. All payments will be made based on Your demonstrated, bona fide disbursement requirements, consistent with the approved budget and project deliverables.

Should You wish to request payment in advance, You must certify that you have the required level of matching contributions, justify why an advance is necessary, and detail

how the advance funds will be expended over the specified period covered by the request. Advances are limited to the minimum amounts needed and must be timed to be in accordance with your actual, immediate disbursement requirements. You must deposit and maintain advances of Federal funds in interest-bearing, FDIC-insured accounts. You are encouraged to use banks that are at least 50 percent owned by women or minorities. If You do not fully expend an advance payment within 30 calendar days of disbursement, You must promptly refund any remaining amount to SBA. For further guidance regarding interest earned on advances of Federal funds, see 2 C.F.R. § 200.305(b)(9).

26. Program Term – Adherence to the Approved Budget

You must expend Project Funds in accordance with Your approved budget. You do have discretion, however, to transfer Project Funds between individual cost categories provided the cumulative result of all such transfers in a given budget period does not exceed 10 percent of Your total approved budget. Before making any transfers that would cumulatively result in Your exceeding this 10 percent cap, you must obtain approval from SBA. Failure to adhere to the approved budget or obtain the necessary prior approval will result in denial of payment by SBA.

NOTE: You must obtain written approval from SBA for any changes in indirect costs, Federal and non-Federal. For further guidance regarding the prior approval process, see Standard Term 8 and Program Term 27.

All costs approved on this budget must meet the tests of necessity, reasonableness, allowability, and allocability in accordance with applicable cost principles. All costs charged to this Award are subject to audit. NFEs are responsible to ensure management and financial accountability of Federal funds to preclude future cost disallowances.

The approved budget is included with the individual cover pages specific to the NFE.

27. Program Term - Actions Requiring Prior Approval

Before taking any of the actions listed below and in Standard Term 8 you must obtain advance approval from SBA:

- a. Amending the approved project goals and milestones;
- b. Additional line-item expenditures not specified or shown without cost on the approved budget;
- c. Changing and/or exceeding the amount claimed for indirect costs in the approved budget for Federal and matching funds;
- d. Fund transfers between cost categories when the gross amount of the funds involved is greater than 10 percent of the overall project budget;
- e. Changing the Lead Center Director without approval from the AA/SBDC, for all other key personnel changes the SBDC Lead Center must advise Project Officers and program managers within 10 business days;

- f. Entering into a contract calling for the expenditure of \$250,000 or more in Project Funds, with the exception of subawardee recipient agreements or entering into a contract that, when combined with other contracts held by a single individual or organization (including affiliates, subdivisions, and subsidiaries), would result in that entity receiving \$250,000 or more in aggregated Project Funds unless included in the proposal. The contracts must be awarded via competition. Non-competitive contracting at this level is only allowed if You can demonstrate to SBA's satisfaction either: (i) there is only one possible source for a particular good or service or (ii) there is an emergency involving the risk of imminent damage to property or injury to people. For contracts between \$10,001 and \$250,000, you do not need to submit copies of the proposed contracts to the GOTR for approval before executing them. However, you must obtain price quotes (either orally or in writing) from at least three qualified sources and inform SBA of these quotes in the corresponding payment requests/financial reports. If you do not choose to go with the lowest quote, you must explain why. For contracts of \$10,000 or less, you do not need to submit copies of the proposed contracts to the GOTR for approval before executing them and the contracts are not required to be awarded via competition if Your organization considers their prices to be reasonable.
- g. Purchasing or disposing of a piece of equipment with an acquisition cost of \$5000 or more, when not included in the proposal;
- h. When taking any action not included in the proposal;
- i. Travel outside the United States and its territories;
- j. Use of the SBA logo on any social media sites or services other than the SBDC project website;

You must submit requests for prior approval to the GOTR 30 calendar days prior to the date of the proposed action. See 2 C.F.R. § 200.308; 2 C.F.R. 200 Subpart E; for further guidance regarding prior approval requirements see Standard Term 8.

28. Program Term - Project Website

You must maintain a website, or a clearly defined subsection of an existing website, for the purpose of publicizing and conducting project activities. The project website must make reasonable accommodations for access by persons with disabilities and must feature the SBA logo and acknowledgement of support clause in a prominent location in accordance with Standard Term 15. In addition, project websites are subject to the prior approval requirements and the project closeout requirements.

You may not use the project website to advertise, promote, or endorse alcoholic beverages, tobacco products, sexual products (including dating services and pornographic materials); illegal or controlled substances or materials; gambling or gaming products or services; or any other products, services, or materials which may be harmful to the image or reputation of this project, the SBDC Program or SBA.

29. Program Term - Termination/Suspension/Enforcement

If you materially fail to comply with the terms and conditions of this Notice of Award, or with any requirement imposed by statute, regulation, executive order, or other source of law or policy, SBA will take whatever enforcement measures it deems appropriate to remedy that non-compliance. For further guidance regarding the enforcement measures that apply to this Award, see 13 C.F.R. § 130.700. SBA may also institute suspension or debarment proceedings against your organization as it deems necessary.

30. Program Term - Selection of State Director

Prerequisite to filling the SBDC State/Regional Director position, the NFE must follow the process outlined below:

1. You must submit recruitment and selection plans for the SBDC State/Regional Director position to the SBA District Director (or Lead District Director when there is more than one District Office) and to the GOTR for approval of the plans' adequacy. The SBA District Director and GOTR must notify the NFE of the plans' acceptance or rejection within eight (8) business days of receipt.
 - a. The recruitment plan should include provisions for a nationwide search and should not include provisions which unduly restrict or limit the eligible candidate pool;
 - b. You must include an SBDC State or Regional Director from an accredited SBDC network in the hiring process.
 - c. SBA employees are prohibited from participating in the hiring process, for example, joining interview panels or search committees, other than defined here in these terms and conditions.
 - d. Recruitment plans for filling the vacancy in excess of 120 days beyond the previous Director's departure date must have prior approval of the AA/SBDC.
2. The non-federal entity will follow its hiring procedures to determine the best final candidate and must subsequently obtain the approval of the AA/SBDC prior to making an offer of employment. Upon selection of a final candidate for the position:
 - a. You must provide to the AA/SBDC and to the SBA District Director the resumes of the top three finalists.
 - b. After You have interviewed the top three finalists, You must notify the SBA District Director and the AA/SBDC of YOUR selection.
 - c. The SBA District Director will provide feedback to the AA/SBDC regarding the selected finalist. The SBA District Director will not provide feedback to the NFE.
 - d. Within 15 days from the date of notification, the AA/SBDC will provide the NFE with their concurrence or denial of the selected finalist.
 - e. You may not hire the SBDC State/Region Director without the concurrence of the AA/SBDC. Failure to comply with this section may be considered cause for termination from the program.

NOTE: If the SBDC State/Regional Director is subject to removal or replacement, You

must notify, if possible, the SBA District Director and the AA/SBDC at least ten (10) days before taking such action. You must provide the AA/SBDC with a written explanation of why such action is necessary.

31. Program Term - Refunds of Award Expenses

If you receive a refund of FICA/FUTA taxes or other project costs previously paid under this Award, you must immediately report such refund to SBA, regardless of whether the Project Period has ended. The amount of the refund must be remitted to SBA if the cost was paid with Federal funds. If the refunded cost was paid using matching contributions, you must either use the refund to support activities consistent with the objectives of this Award or remit it to SBA if failing to do so would result in the project being under matched.”

When submitting refunds to SBA:

- Make check payable to the U.S. Small Business Administration,
- Include a cover memo that explains the reason for the refund, and reference the appropriate Award number the funds are associated with, and
- Send the check by priority mail, FEDEX or a similar carrier to:
